REPORT OF SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Barrington:

Recent months have seen several instances of private generosity devoted to public service, of which Barrington children will receive the benefit. The proposed new Rochester High School, gift of the Spaulding family, will earn the gratitude of the group of about ten tuition pupils sent yearly to that school from this district. The Oak Hill School has also been especially fortunate, receiving from Mr. William S. Davis a strip of land for additional playground space, and from Rev. Ragnar Byrenius a complete electric lighting installation. These gifts and other help constantly being received from individuals and organizations toward the health work and other activities of the school are much appreciated for the good that they will do and the good-will that they show. Since John Harvard, 300 years ago, gave his library to the college that bears his name, private generosity has been liberally bestowed upon endowed institutions. It is no less fitting that private means should be devoted to those public institutions in the benefit of which all the people, and especially the children, can share. Horace Mann, "Father of Public School Education," who 100 years ago resigned from the presidency of the Massachusetts Senate to become the first Secretary of the Massachusetts State Board of Education, in order that he might win for every child a free education in the common schools, said: "If there ever was a cause, if there ever can be a cause, worthy to be upheld by all of toil or sacrifice that the human heart can endure, it is the cause of education."

This year your Superintendent of Schools sped over the old "Oregon Trail," over which the covered wagons of the pioneers once lumbered to win the "New

Northwest" for America by missionary sacrifice and commercial enterprise. He returned with the conviction that no section of the country has a better foundation for educated living in stable prosperity, or a more willing disposition to provide suitable schools and other human needs for its people (when once those needs are clearly seen) than our own New England.

This year our schools are being maintained as follows:

School	Teacher	Enrollment
Green Hill	Mrs. Grace H. Brock,	18
Oak Hill	Mrs. Rita C. Stewart,	16
Pond Hill	Mrs. Merle L. Beebe,	15
Waldron Hill	Mrs. Beatrice P. George,	29
Winkley	Mrs. Melissa H. Blaisdell,	24

Honor Roll of Perfect Attendance

Eleanor Bailey, Wellington Bartels, Ralph Boodey, Neil Gibb, Mary Wood, Joseph Chandler, Donald Chandler, Evelyn Landry.

Respectfully submitted,

CHESTER W. DOE,

Superintendent of Schools.
